THE BRUNSWICK-BALKE-COLLENDER COMPANY

These are the Price Regulators in the United States for Bar Fixtures, Caram and Pocket-Billiard Tables, Bowling Alleys and Supplies.

Compare prices in these lines with those of ten years ago when competition was more active and when lumber and other supplies cost one-half less than at present. We then had two factories. We now have eight with twenty times the floor space and we need the business. We could not get it with high prices. We have forced prices down by steadily increasing our immense output. Greater quantities mean cheaper production.

We don't belong to any Trust or Trade Combination.
